Founded in October of 1999, Warriors Center Memphis is a rescue mission & recovery program that reaches out to men, women & veterans battling homelessness or addiction by providing emergency services, food, shelter, rehabilitation, transitional housing programs and job skills training. As part of the “REVIVE MEMPHIS PROJECT”, Warriors Center is encouraging participants and supporters to engage in a protest & public fast, to BREAK THE CURSE over Memphis and bring awareness to crime, racial division, gun violence, and drug addiction in our city and foster positive change in Memphis. Warriors Center Memphis Campus Boot Camp Director, Anthony Blackman, also known as the Rapper King Blackman, is a lead organizer of REVIVE MEMPHIS. He will be leading a “Frontlines Battle Team” who will Camp, Protest & Fast on the grounds of the Warriors Center Memphis for “21 Days”. We call upon all members of the Memphis faith community, regardless of race, to “COME TOGETHER” during this public protest & fast. Let us use this occasion to “BREAK THE CURSE” over the City of Memphis for the assassination of Dr. King and to engage in prayer & fasting to “CHANGE OUR CITY”. We acknowledge the challenges we face while embracing the strength that emerges when diverse voices of faith unite for a common cause.
